Dear Parents/carers,

Students aged 10 or older with a Rugby Union, Rugby League or sporting background are invited to attend trials for the South West Sydney Rugby Union team. All students attending the trials must attend a DoE school in Sydney West Sports Region and have the permission from their principal and sport organiser, as well as their parents / carers. Students will bring permission notes with them on the day. **MOUTHGUARDS ARE MANDATORY**.

The dates and venues for these trials are as follows.

Zone	Trial Time/Date	Venue
SW Central, Northern & Western Zone Trial Penrith, Upper/Lower Blue Mountains, St Marys, Mt Druitt, Ridges, Blacktown, Castle Hill, Hawkesbury	3:45pm - 5pm Thursday 4 th May 2023	Nepean Rugby Park Andrews Road, Penrith

Rugby Union is an Opens Side (12s). In previous years, we have had an abundance of 10 year olds try out. Whilst we encourage super talented 10 year olds to come and trial, it really is an opens competition. Any 10-year-old trialling (who turns 10 this year) needs a dispensation signed off by a level 2 rugby union coach. Their local rugby club should be able to help with this. This dispensation must be brought to the trial.

After these trials we hold a final selection trial on Wednesday 28th June. Students/schools will be notified via school email on Friday 2nd June if they have been successful in making it through to the final day

Please note, 13 year olds are not permitted to trial in these trials due to the ARU Mandatory 2 Year Window law.

Concussion Clearance

The Australian Medical Association recommends students being symptom free of concussion for 14 days before returning to sport.

- If your child/ward sustains a concussion, or experiences any concussion symptoms, in the 14 days period prior to the event commencing, you must report this to team officials, and a medical clearance is required in order for your child/ward to participate in the event.
- Medical clearances can be attached to this consent form or can be submitted to team officials separately.

Important Information:

In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation.

Parents and caregivers are advised to assess the level and extent of their child's / ward's involvement in the sport program offered by the school, school sporting zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's/ward's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets.

Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs .Further information can be obtained from https://www.icare.nsw.gov.au/injured-or-ill-people/sporting-injuries/payments/#gref. Further information regarding student accident insurance and private health cover is provided at: https://app.education.nsw.gov.au/sport/File/1449.

Australian football/rugby league/rugby union - mandatory extract

Australian football / rugby league and rugby union are collision sports. I understand:

- that for my child/ward to play **Australian football/rugby league/rugby union** as part of the representative school sport program that they have undertaken an appropriate skill training program resulting in suitable experience to play this sport at representative level.
- that the wearing of a correctly fitted mouthguard is mandatory in all games and training sessions.
- that, while efforts are made to minimise the possibility of injury, that there will remain some degree of risk inherent in participation of this collision sport.
