Monday 22nd March 2021

Dear Parents and carers,

Next term we are trying something new!

Next term we will be sending you weekly messages about your child's learning. These SMS messages will be sent to all parents/carers of students, Years One to Six.

Our school chose to take part in this new program trial being run by the Department of Education. The program will run for seven weeks during Term Two. In week 8 of next term you will receive a link to a survey, which asks for your feedback on the text messages. Please complete this survey to let the Department of Education know what you think about the program.

If you have any further questions about the text messages, please talk to your child's teacher or myself.

In order for us to send the SMS messages accurately, please indicate if your mobile number has recently changed by completing the section below and returning it to the school office by **Thursday 1st April**. This way we can update your information to ensure you receive information about your child/children's learning.

Kind regards,
Shantelle Proglia
Instructional Leader/Deputy Principal
