Stage Two Excursion – Ranger Jamie: Heat (Solids, Liquids & Gases)

Dear Parents/Caregivers,

Students from Stage 2 will be attending an excursion to Ranger Jamie, Lizard Log – Western Sydney Parklands in Week 6, Term 4 on Thursday 17th November 2022.

The excursion has been planned to support the curriculum. Students will never think science is boring again after this action-packed day in the great outdoors! On this excursion, filled with fun demonstrations and interactive experiments showcasing the power of heat, our experienced Rangers will take students on a journey to explore the three possible states of solids, liquids, and gases in a series of interactive experiments. Students will create lava lamps, launch gas pressure rockets, and make mystery matter slime, giving them the change to investigate first-hand how solids and liquids change state, as well as the properties of natural and processes materials. Get ready to get messy!

The cost of the excursion is \$37.00 per child. The students will depart Werrington Public School at **9:15am sharp** and return at approximately 2:30pm. Travel will be by bus. Please meet at the COLA at **9:00am** to ensure we can mark the roll and leave on time.

Students will need to wear full school uniform and bring the following items on the day:-

- **Recess and lunch** as there is no opportunity to purchase food or drink. *Clearly label* bags with your child's name. Please pack resealable water bottles only. As we are at an environmental centre, they have requested we minimise rubbish by packing food in reusable containers.
- A school hat and school jacket.

The group will be supervised by classroom teachers and SLSOs throughout the day.

Please return the form and payment prior to Thursday 10th November 2022. No late payments can be accepted. If you require additional time, please see Mrs Mallia in the office to arrange an alternative payment plan.
