### **Stage 3 Camp**

Dear parents,

Unfortunately, due to the on-going uncertainty of the COVID situation in the State we have been left with no option but to cancel the Stage 3 Canberra excursion for this year.

We are aware that this an extremely important experience for our Stage 3 students and so have waited for as long as possible, keeping in contact with the facilitators of the excursion. It is extremely disappointing that we have had to cancel for the second year running; however, in the end our main priority is the safety and well-being of our students and staff.

We will endeavour to secure some alternate activities in place of the excursion, but these will also be subject to the restrictions in place and have not been confirmed at this time. If you have made a payment for camp via the parent payment portal we will be refunding your payments in the coming weeks, you will receive a confirmation email once these funds have been returned, if you have made payment by cash or credit card through the front office we will be in contact to discuss the next steps in refunding your payments.

We will have more information, including proposed arrangements for other events such as the Year 6 Farewell and Graduation in the coming weeks. Thank you for your patience, understanding and support.

Regards,

Mr Bale  
Stage 3 Assistant Principal
