L3

Level 3

At the end of week 6, Sentral is checked for behaviour in weeks 4 and 5. Students levels change on Monday of week 7

L4

Level 4

At the end of week 8, Sentral is checked for behaviour in weeks 6 and 7. Students levels change on Monday of week 9

Earn your way to Privilege Day!

If a student has followed the PBL rules of being a safe, respectful learner and had no incident reports in they will move up a level. If a student has not followed the rules and had one incident report, they stay at the current level they are on. If a student has more than one incident report, they go down a level. Privilege Day is held around week 9 of each term to celebrate students who have followed the core values of being a safe, respectful learner.
