Our school community will be recognising and celebrating Harmony Day this year with a Drumbeats Performance called **“Rhythms of the World”**.

All students will attend the performance with their class. We ask that students make a **\$2 gold coin donation** towards the cost of the performance. This will be collected by their class teacher on the day. Students are also encouraged to wear their cultural dress on this day or may wear something orange eg T shirt, hair ribbons, bangles, accessories etc.

Harmony Day highlights the multicultural background of our student population at Werrington within the theme of **“Everyone Belongs”**.

Our school draws students, parents and teachers from 32 different language backgrounds. Many of our EALD students have been born in Australia but are enriched with the opportunity to hear and speak another language.

We look forward to the opportunity our students have to participate in this interactive performance and the other activities teachers have planned for their classes on the day.
